

# Student Council Introduction

Raeesa Yousaf  
raeesa@mathphys.info

11th April 2024

## For legal purposes...

All students enrolled at Heidelberg University are members of the [...] student body [...] and are called upon to actively participate in its work.

*Organizational statutes of the constituted student body*

This means

- The student council comprises all students of their subject
- Everyone has the right to speak and vote in the student council

## For legal purposes...

All students enrolled at Heidelberg University are members of the [...] student body [...] and are called upon to actively participate in its work.

*Organizational statutes of the constituted student body*

This means

- The student council comprises all students of their subject
- Everyone has the right to speak and vote in the student council

# Student Council Introduction

It has the following tasks [among others]:

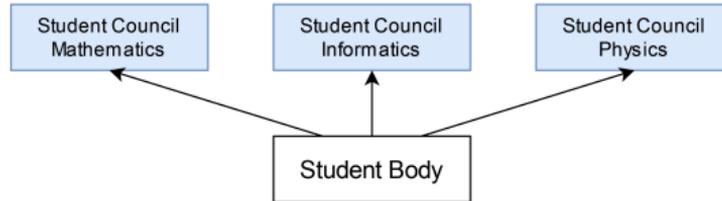

- 1 The awareness of university policy, and interdisciplinary as well as social, economic and social, economic and cultural interests of the students.
- 2 To participate in the tasks of the University of Heidelberg [...].

*Organizational statutes of the constituted student body*
