- 1 Welcome
- 2 Orientation Days
- 3 Questions

Welcome (to Heidelberg?)

You've come to the right place if you're studying ...!

- ... M.Sc. Mathematics
- ... M.Sc. Scientific Computing
- ... M.Sc. Physics
- ... M.Sc. Data and Computer Science

You've come to the right place if you're studying ...!

- ... M.Sc. Mathematics
- ... M.Sc. Scientific Computing
- ... M.Sc. Physics
- ... M.Sc. Data and Computer Science

Orientation Days shall ...

- ... give you the opportunity to get to know (future) friends and your fellow students.
- ... provide an outlook on life in Heidelberg and studying at the university.

Orientation Days shall ...

- ... give you the opportunity to get to know (future) friends and your fellow students.
- ... provide an outlook on life in Heidelberg and studying at the university.

Orientation Days — Organization

- Orientation Days is a project by us as a student council
- The faculty supports us in many ways (money, rooms etc.)
- All (student) participants in Orientation Days do this work *on a voluntary basis*.
- We plan the event well in advance, but changes are always possible at short notice
⇒ It's best to check the schedule every morning (website)
